FEO (For Exhibition Only)

FEO – TDAA offers FEO (**For Exhibition Only**) runs which are available at this trial. They are open to any TDAA registered dog in any class. FEO dogs will run last in their jump height. They may run on lead. FEO runs do not count toward TDAA titles or certificates. No food or treats in the ring. FEO teams will have a maximum time of 1.5 times the SCT. FEO cannot repeat any obstacles, no training in the ring.

How the Fast Track Program Works

Titles may be grandfathered from other organizations on a “Fast Track” basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginners to Superior on the same day, if the dog qualifies first in Beginners and then qualifies again in Intermediate. Likewise a dog can move up from Games I to Games III by qualifying at each of the lower levels.

A qualifying score in the lower class is required to move up to the next higher class. The dog’s owner must submit a copy of title certificates for the dog. A dog moving up on the Fast Track will not be eligible for placement or title ribbons but may receive a Q ribbon.

To enter the Fast Track program submit the entry form below and enter the lowest level class(es) which the dog does not yet have a TDAA title. Check the Fast Track box on the entry and include an additional \$8 for Fast Track Standard and/or a separate \$8 for Fast Track Games with the entry along with the usual fee for the classes entered. Supply a copy of the title certificate from the other organization with your entry or at check-in. Payment of the \$8 is no guarantee that your dog will qualify at the lower level (although he will have multiple chances if he is entered in multiple classes) and is non-refundable. The additional fee must be paid for this trial even if it has been paid for an earlier trial.

Disabled Handlers

Disabled handlers will receive an additional 4 seconds in the standard course time for the Standard class and in the qualifying course time for some of the Games classes. Proof of disability shall be a copy of the handler’s disabled parking tag or other official documentation provided with the entry or presented at check-in. Proof of disability must be supplied in order to enter as a disabled handler.

Games Classes

Judge’s Briefing on the day of the trial supersedes any previous briefing or game description.

Full House: The object of Full House is to accumulate the required points by successfully completing obstacles on the field, including the elements of a Full House – three-of-a-kind – 3 single bar (jumps), a pair – (2) circles (tunnels, chute, tire), and a Joker (contacts, weaves, or specified combination of obstacles) – before time expires.

Colors: The Colors course is made up of two relatively equal numbered sequences. The handler must select one sequence to be completed by the dog.

Connect the Dots: The purpose is for the dog to accumulate as many points as possible in the allotted time by connecting the dots. The “dots” are the contact obstacles on course.

Truth or Dare: In this game the team may follow the judge’s numbered course (Truth) or a sequencing of the course of their own choosing (Dare). Scoring for the two choices is different.

Minuet - A simple, short course awaits each “couple” on the dance floor. The "couple" must perform the sequence as many times as possible in the time allowed. So what’s the big deal? Wrong course – start over. Dropped bar – put it back and carry on. Shall we “dance”?

Notice to Exhibitors:

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with, and are able to perform all obstacles safely.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the Trial site. In such case, no refund of any fees paid will be made.

Food and toys are not permitted in the course area and handlers are not allowed to use whistles or other instruments or devices.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Exhibitors may wear shirts or insignia of their training group if they wish.

At the handler's option, the dog may wear a flat (buckle or quick release) collar without tags or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited. Dogs may also wear clothing or other adornments unless deemed a safety hazard by the judge.

Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.

Eligibility:

This trial is open to all teacup dogs (which are dogs measuring no more than 17" at the withers), over the age of 12 months except bitches in season, aggressive dogs or dogs suffering from any deformity, injury or illness which may affect a dog's physical or mental performance.

Your dog must be registered to participate in TDAA Trials. There is a registration form included in this premium, or you can register before running at the trial. Teacup Dogs Agility Association Rules can be obtained online in the form of a PDF file at www.k9tdaa.com
